

mutiny of the mellow reeds

dalyan (kaunos), turkey

too many mistakes, very little point
to correcting anything.
how much attention
should a sentence be given?

whereof you cannot speak,
thereof you should be singing songs.
or something to that effect.

and if you can't live with accidents,
you are going to anyway.

i am the mouthpiece to a piece of meat.
isn't that really neat?

but how on earth do i always get in the way
of what i apparently want to say?

surface of a lake is fake
—if you are a pebble, not a leaf.

boy, that's a relief.
